

Ordering

Orders will be taken on-line via our website's ordering page. After paid orders are received, then brittle will be produced within 7 days and then shipped to you.

Special Orders

We created several different unbroken brittle shapes for special occasions, including but not limited to: heart, bunny, cross, shamrock, tractor, wine bottle, soda bottle, jack-o-lantern, skull, snowflake, Christmas tree, and gingerbread man using your choice of available nuts. If we currently do not have the shape that you are looking for, please e-mail us, and we will see what we can do for you.

Special order brittle shapes cannot be shipped due to the high risk of them breaking during shipment. You will be contacted when your order is ready for pickup.

Paid orders must be received at least 7 days before they are needed in order to produce and prepare them for packaging.

Ordering Restrictions

Our Ohio Cottage Food Production License currently restricts shipping our products outside of Ohio. Per our cottage food license, only orders going to Ohio addresses will be accepted and all others will be cancelled and refunded.

We look forward to serving you and hoping that you enjoy our products!

Mission

Everything Brittle's mission is to produce the highest quality and best tasting hand made candy brittle in small batches for our customers, while allowing the consumer to give back with each and every purchase.

Giving Back for the Future

We are happy to support the Aikey Foundation's local Ruth M. Aikey Memorial Scholarship program through a \$1.00 donation for every bag sold for their four-year full-tuition scholarship for future teachers in need.

History

Using an over 30 year old recipe, we produced brittle each year for family and friends as gifts. Many would ask "Why don't you sell this brittle? It is awesome! We could then get it more than once a year!" After many years of people asking, we finally decided to bring our recipe and products to the masses. We hope that you enjoy our brittles as much as our family and friends have over the years.
